**Shag dancing for parties, weddings, meetings
at your Beach House, Condo, Club House or Hotel ...**

Randy and Sue Bowling have taught at many of the popular clubs in the N Myrtle Beach area. We have 16+ years of experience teaching and demonstrating North and South Carolina's famous SHAG! We have taught hundreds of people to shag and we are well experienced at giving an entertaining and professional presentation for your event or party.

We come to your house, condo or meeting room and put on a shagging fun time..Your guests will love this! Presentations include a history of the dance with stories about how we learned and grew up shagging to beach music. We perform an exhibition of our smooth dance style and invite your guests to learn the basic steps!

We teach your guests how to do a basic shag dance

**EVERYTHING YOU NEED TO
KNOW TO GET STARTED SHAG DANCING OUT AT THE
N MYRTLE BEACH CLUBS!**

We tell about the dance party scene in N Myrtle Beach and invite you to meet us at Fat Harold's or Ducks on our dancing nights.

Our presentation is customized to fit your needs. Typically we take about 30 to 45 minutes plus dancing time for people to mix and shag together after the lesson. We stay with you for plenty of extra time for people to dance together and get to know all about shag dancing!

Perfect for after dinner entertainment at your party!
